DHANANJAY SINGH

B.Tech Mechanical Engineering Student | JECRC University, Jaipur

Email: dhananjay.2bmln000@jecrcu.edu.in | Phone: 7849994777 | Jaipur, Rajasthan

ABOUT ME

Dhananjay Singh is a B.Tech Mechanical Engineering student at JECRC University, Jaipur. He has basic knowledge of AutoCAD and C programming and is interested in mechanical design, automobiles, technology and learning new skills. He is focused on developing his technical and practical knowledge and believes in continuously improving himself and becoming better than yesterday.

EDUCATION

B.Tech in Mechanical Engineering — JECRC University, Jaipur
Currently Pursuing

Class 12 — Shiv Jyoti Senior Secondary School — Completed in 2026
Class 10 — Shiv Jyoti Senior Secondary School — Completed in 2024

TECHNICAL SKILLS

- AutoCAD — Basic Knowledge
- C Programming — Basic Knowledge
- Basic Computer Skills
- Basic Engineering Knowledge
- Currently learning new technical and design skills

SOFT SKILLS

• Willingness to Learn • Problem Solving • Adaptability
• Teamwork • Time Management • Creativity • Self-Learning

AREAS OF INTEREST

• Mechanical Design • Computer-Aided Design (CAD) • Automotive Technology
• Cars and Car Spotting • Video Editing • Technology • Learning New Skills

PROFESSIONAL PROFILE

Dhananjay is currently building his foundation in Mechanical Engineering while developing technical skills such as AutoCAD and C programming. He is interested in gaining practical knowledge, exploring automotive and design-related fields, and continuously improving his skills.

FUTURE GOAL

Dhananjay's goal is to continuously improve his technical and practical abilities, gain real-world experience and build a successful career in Mechanical Engineering. His personal approach is: **“Be better than yesterday.”**
